Life Group Questions

Scripture: Matthew 5:45

Thought: "Life isn't fair." We know that, right? Maybe not. Or maybe it is that knowing and comprehending are different. Either way, most everyone struggles when bad things happen and we don't understand why.

Questions:

1. What stood out to you from the sermon?
2. Share about the difference between: fair, equal, and justice.
3. What difference is there between when bad things happen to "bad" people and when they happen to "good" people?
4. How does faith help us navigate the "unfairness" of life?

Thank You

So many acts of kindness were extended to our family during the loss of my dad. The prayers, calls, cards and food meant so much. I was amazed at those of you who traveled to Burlington to support us. Thanks so much. Love, Larry & Christy Cochran

Children learn by how we live!

If our children live with criticism all the time they will learn to criticize others! If our children live with hostility they can learn to fight! If our children live in fear they can learn to be apprehensive! If our children live with pity they can learn to feel sorry for themselves! If our children live with jealousy they can learn to feel guilty! If our children live with encouragement they will learn to be confident! If our children live with tolerance they can learn to be patient! If our children live with praise they should learn to be appreciative! If our children live with acceptance they will learn to love! If our children live with approval they will learn to like themselves! If our children live with recognition they will learn it is good to have goals! If our children live with fairness they will learn what justice is! If our children live with honesty they will learn what truth is!

Each of our families must work out the patterns of their own relationships. No two families are going to be alike. The Bible gives us instructions in Ephesians 6:1-4.

Children obey your parents in the Lord for this is right. "Honor your father and mother" (this is the first commandment with a promise) "that it may be well with you and that you may live long on this earth."

Fathers, do not provoke your children to anger, but bring them up in the discipline and instruction of the Lord. In His name, Pat Meek

Overflow Retreat

On the 19th-21st we will have our annual middle school retreat again. We will be at Lariat Creek this year. If your child will be 6th-8th grade this school year please let Adam know if they will be attending the retreat. Also, high school juniors and seniors are welcome to attend as servant-leaders for the weekend.

Outgoing 5th Grade Blessing/New 6th Grade Welcome

On August 28th we want to welcome our new 6th graders to the youth group and bless them as they transition from intermediate school to middle school. All youth group families and those with a new 6th grader are invited to a lunch after Sunday morning worship. At that time we will welcome the new 6th graders to the youth group and provide information on the upcoming year.
