Life Group Questions

- Scripture:** Proverbs 10:15; 13:7; 17:5
- Thought:** More money, more problems is a saying we have. Yet, we still seek to have more money. Money, wealth, financial freedom are not bad things in and of themselves however, kind of like fire, there is great potential for disaster. That in mind we look at what the godly wisdom Proverbs has to give about finances.
- Questions:**
- 1. What is your definition of rich/poor and why?
- 2. Talk about the problems and benefits of being rich or poor?
- 3. How do you try and glorify God with your finances?
- 4. What from the sermon stood out to you?

Experimenting with Kindness

I enjoyed almost all of my science classes growing up. I was a decent science student but what I loved most about science classes were all of the experiments. Even with the enjoyment of those experiments, I knew from a fairly young age that I would not pursue a career in any scientific field. I just had other interests on my mind.

But I have not lost my enjoyment or love of a good experiment. So this next week I would like for you to agree to complete an experiment with me. I would like to experiment with kindness. "So God can point to us in all future ages as examples of the incredible wealth of his grace and kindness toward us, as shown in all he has done for us who are united with Christ Jesus" (Eph. 2:7). God's kindness toward us is what should cause us to be kind toward others. "Since God chose you to be the holy people he loves, you must clothe yourselves with tender hearted mercy, kindness, humility, gentleness, and patience" (Col. 3:12).

With a world around us itching to get ahead in life, be the first in line, etc. I think we as Christians could do a lot of good if we focused on being kind. We have enough talking heads on T.V. trying to convince us that the world's going to end if so-and-so gets elected or if "that person" makes a certain choice. I think this week we should focus on kindness.

So here is what I want you to do. When you go to the store this week, instead of being impatient and snapping at the cashier who is taking just a little bit longer than you want, share a warm smile and a kind greeting. Instead of arguing with your cousin, or that weird uncle we all have, at the family get-together, be gracious and allow them to speak without feeling the need to retort. May God's kindness toward us spur us on toward kindness for others. -Adam Smith

All-church New Year's Eve Party

This year we're going to try something new. We want to have an all-church New Year's Eve party from 6-9pm. As part of this we want to have a chili cook-off! And if you don't like cooking chili then feel free to participate in our pie contest. If you don't want to make chili or a pie then please bring some food of your choice to share with everyone. Also, bring games and your fun positive attitudes as we laugh and enjoy being together. On the welcome center in the foyer are sign-up sheets for cooking chili and baking pies. We hope you'll come enjoy a great night fellowshiping!
