Scripture: 1 Corinthians 12

Thought: Paul often uses an analogy of the church being a body. A body made up of many parts, each part with its purpose, each part necessary for the whole. The relationships that need to exist for a church to work together are incredibly important, but also incredibly difficult to maintain.

Questions:

1. If you could change one part of your body what would it be and why?
2. If you could change one part of the church what would it be and why?
3. In what ways are difficult relationships at church necessary?
4. Share about your favorite aspects of belonging to a church.

Furlough, Fellowship and Fun

On February 17th the Emperado team will fly from Cebu, Philippines to Houston, Texas via South Korea. We are looking forward to setting our feet again on U.S. soil after more than 2 years here in the Philippines. I can't wait to indulge on DQ dude, Sonic onion rings and of course Braum's german chocolate ice cream! Almost forgot the delicious carrot cake from Jumbo's. America truly has great foods to enjoy. It's going to be a great and wonderful feeling being in the land of the free! Furlough is a great opportunity to visit family and friends.

Most of all, we are looking forward to fellowship with our dear brothers and sisters in churches who support our work through the years like North Garland, Austin Avenue, Sugargrove, Boerne, Highland Lakes, etc. We could not have achieved our vision to plant churches all over the Philippines without you all our partners in the Gospel. Because of our partnership and fellowship, we were able to plant around 30 churches in capital cities since 1998. We did it with a lot of faith "trail blazing" to urban centers where no one has ever been before as far as churches of Christ are concerned. The last we planted was Catarman the Capital of Northern Samar last December. I would love to share the work in person if I have the opportunity to speak at North Garland.

Finally, allow me to echo what Paul expressed to the church in Philippi because I feel the same way with you all, "I thank my God in all my remembrance of you, always in every prayer of mine for you all making my prayer with joy, because of your partnership in the gospel from the first day until now. And I am sure of this, that he who began a good work in you will bring it to completion at the day of Jesus Christ"- Philippians 1: 3-6.

Co-ed Volleyball

The North Garland co-ed volleyball team does not have a game this Thursday, February 2nd. Our next games will be Thursday, February 9th at 7:30 & 8:30.

Q & A Series

Everyone has questions about Faith, God, the Bible or Spirituality. Sometimes the answers are easy to find, sometimes they aren't, and sometimes we don't want anyone to know the question we have. This series is for those questions. Erik has a box to put these questions in. The box is in the education building on the little table by the kitchen. Grab a piece of paper, write your question (anonymously if desired), and place it in his "Got Questions?" box. In a few months, we will take several weeks and go about studying and trying to find answers using the scriptures for these questions.

Thank You

Dear North Garland Family,

A special thank you to all who checked on us while Joe was in the hospital and I was home sick. Thanks to those who came to the ER Sunday evening, Roger, John, Brent, Shannon, Erik, Dennis & Renny, Patrece & Gene. A very special thanks to Jim & Patty for emergency transport, pick up and delivery. Thanks to our wonderful care group for soups and banana pudding. To Patrece for taking Joe clothes and Sally for breakfast and visiting my nursing home patient. Life would not be as easy without our spirit filled family. You always go above and beyond. You bring glory to God and Joy to our lives. We Love You. Joe & Cissy Duarte

Blood Drive

The next blood drive is Wednesday, February 8th. The sign up sheet is in the foyer. The blood institute is in dire need of blood donations. Please donate if at all possible.
