### Life Group Questions

**Scripture:** 1 Peter 2:11-17

**Thought:** These verses talk about living as foreigners and strangers in a land. Elsewhere the scriptures talk about being "not of this world." While we don't belong to this world we are still in it and called to to be different from the world.

1. How have you seen Christians losing their distinction from the world?
2. How do you personally wrestle with being different from but still in the world?
3. What stood out to you from the sermon?

### Count Your Many Blessings

There is an old song we sing entitled "When Upon Life's Billows". The chorus says "Count your blessings, name them one by one; Count your blessings, see what God hath done; Count your blessings, name them one by one; Count your many blessings see what God hath done."

A while back, I received one of those forward emails that was intended to encourage people to thank God for their blessings. Within the email the writer asked what blessings one should thank God for. Some of the answers that were included were:

- "If you have food in the refrigerator, clothes on your back, a roof overhead and a place to sleep you are richer than 75% of this world."
- "If you have money in the bank, in your wallet, and spare change in a dish, you are among the top 8% of the worlds wealthy."
- "If you woke up this morning with more health than illness, You are more blessed than the many who will not even survive this day."
- "If you have never experienced the fear in battle, the loneliness of imprisonment, the agony of torture, or the pangs of starvation... You are ahead of 700 million people in the world."

I did not check out the statistics that were stated, but the point is we are a very blessed people. Matthew 6:25-34 tells us not to worry. Verse 32 tells us that our heavenly Father knows what we need. I encourage you to count your many blessings and take time each day to thank our heavenly Father for all He has done for you. May God Bless each of you.

### Change For Children's Cans

It's that time of year again for the Change For Children's Cans, for High Plains Children's Home. We ask anyone that would like to collect for it to pick up a can on the back table in the foyer, collect change and when it is filled up bring back to the office. We will be collecting until the end of August. If you fill a can up early and would like to take another can, please do.

### Youth Trip Meeting - Sinai

There will be a meeting for youth and their parents on July 3 to talk about our hiking trip: Sinai. Please stay after worship for a quick information meeting in the youth room about all of the trip details.

### School Backpacks Needed
