Life Group Questions

Scripture: John 21

Thought: Peter famously denied Jesus three times then abandons him through the crucifixion. At the beginning of chapter 21 Peter, along with the other disciples, seem dazed and confused. The only thing they can do is go back to what they know...an early morning of fishing. During this time Jesus specifically draws Peter back in by leading him three times to profess his commitment.

Questions:

1. What stood out to you from today's sermon?
2. Have you experienced a low point in your spiritual walk? What brought you out of it?
3. The disciples drew inward to themselves when they were confused and it took them a while to get out of it. What are positive ways that a church can rally through a time of trial?

The Majesty of God Psalm 8

I love going out in the dark of the night and looking up into the heavens, beholding the awesome **majesty of God**. Seeing the countless stars as they continually radiate the glory of the Lord. Surveying the expanse of God's creation and trying to imagine the far reaches of the universe. Realizing the fullness of God's presence encompasses all that I can behold or imagine. No wonder the psalmist declares, *"Lord, our Lord, how majestic is your name in all the earth! You have set your glory in the heavens."* **The majesty of God** is our guiding light as we engage in life and the world around us.

We are filled with awe and hope knowing the God who created the amazing heavenly expanse walks with us as we journey toward our eternal glory with him. He is our strength when we are weak, he is the treasure that we seek, he is our all-in-all! Yes, the one who hung the moon and the stars is the very same one who is mindful of mankind. *"What is mankind that you are mindful of them, human beings that you care for them? You have made them a little lower than the angels and crowned them with glory and honor."* What a blessing and honor it is to call him Lord! With the Lord as our shepherd, the problems and cares of this world shrink into minuteness as the heavens radiate his glory. Our thoughts of human pride, our life's struggles and burdens simply seem to evaporate as we meditate upon the splendor and harmony of creation. We are indeed privileged to join the psalmist in humility and to extol the divine power and goodness, for the Lord our God has opened his arms and heart to us! How blessed we are to live and move and have our being in **the majesty of God**. *"O Lord, our Lord, how majestic is your name in all the earth!"*
