**Scripture:** 1 Samuel 19:1-7; Proverbs 17:17

**Sermon Thought:** Today's sermon looked at the friendship between Jonathan and David. David was in a dangerous part of his life, and Jonathan helped David navigate that time. Jonathan remained David's friend constantly despite the difficulty of being the go between for his dad, Saul, and David.

**Sermon Questions:**

1. Name two or three qualities of a good friendship.
2. Are there times when it is difficult to be a good friend, even for really good friends? Share about those struggles.
3. In what ways does having solid Christian friends help you in your life?

## Thank You

- Thank you for all the food that was donated to the Alva Bible Chair. We served approximately 70 students. Also thanks to Gordon and Carol Jantz, Bill Baker, Connie Johnson and Patrece Allen for going along and helping serve. Thank you North Garland for getting the van ready. The kids loved the food. We do this twice a year and I feel like this is such a worthwhile project. With Love, Jovita Lang

## My Question: "Would Jesus wear a Rolex watch?"

Recently our family has had to move my mom from her home of over fifty years to the commons, a nursing home facility here in Enid.

One of the more interesting aspects of this move was going through the stuff. She had saved or collected numerous family heirlooms, antiques, beloved cherished items from her parents, to present day items from friends and family. Since she had lived most of her married life in the same house (over 50 years) our task to go through it all was quite monumental. All the memories, emotions, pictures, valuables, furniture, items that had made the "land run." What to do with it ALL?! But it wasn't until David, my nephew was taking his turn going over remaining items, he asked. "Whose were these 2 old watches?" My mind went back as he showed me them. They had belong to each grandpa. One was a gold pocket watch that was my mom's dad's. He always had it with him if he was working, fishing or just taking a trip to town. The other watch belonged to my dad's dad, Grandpa Lester. It was a classic TIMEX WATCH with the black leather bands. Just a hard working simple watch. It takes a licking, but keep on ticking, was their motto. They brought back so many memories to a very simple time in my life. Neither watch was fancy or expensive, Just dependable and hard working. Much like the men who wore them.

Back to original question, "Would Jesus wear a Rolex?" No, I don't think he would. He was there when his Father invented "time" so why would he need a man made device to tell time? But I do think that Jesus would see the character of these two men. Hard working, reliable, salt of the earth men who represented Jesus to their family and this grandson.

Matt 5:3 -10, "Blessed are those that are meek, merciful, pure in heart, peacemakers, they will inherit the earth, be shown mercy, they will be called sons of God." As we gather this Thanksgiving with family and friends and say thanks for all God blesses us with, reflect on how you influence your family. Continue to rock your world with your God-given talent. Like that old timex, keep on ticking. And keep Him close with you whether you are working, fishing or just going to town. Happy Thanksgiving.

P.S. Thanks mom for saving these watches. I will cherish them forever.
