**Sermon Scripture:** Exodus 31:37 "on the seventh day he rested and was refreshed."

**Sermon Thought:** The hustle and bustle of everyday life can be exhausting! Our society could use a little rest. If even God rested, rest is in the 10 commandments and Jesus rested, perhaps we need to learn a little and practice that example.

**Sermon Questions:**

1. How are you at the habit of resting?
2. Do others find rest/refreshment in your presence?
3. In what ways would rest improve or hinder your physical, mental and spiritual wellbeing?
4. Now that we have reached the end of the sermon series on "Daily Discipleship" look through all the topics and share about the ones you are best at and which you need to cultivate in your life: sitting at Jesus' feet, worship, service, confession, silence, scripture, proclamation, prayer, giving, community, rest.

## Seyer and S.O.N.E. Students

We have just started a new session of classes the end of last month. We had to postpone the starting of classes due to back to back typhoons that shut down the boats and ships from traveling for over a week. We have 11 students enrolled, 6 of them are members of the church & 5 of them are local residents in the area. We have started this session of Seyer vocational training with automotive classes. The students will learn welding and baking as well, later on. All students are also enrolled in the S.O.N.E. Bible program as well and they have weekly classes. The two programs really complement each other, and we are able to use the Bible program as a way of evangelizing our neighbors who are wanting to join our Seyer Training Center vocational classes.

For the Seyer Training Center, our main teachers are Wilkin Carbona (automotive) and Benny Lirasen (welding). In S.O.N.E. we have Joemar Recomono, Klenn Mark Sotillo, Danny Regon, and myself.

We really appreciate the Seyer supporters and the Highland Lakes church of Christ at Kingsland, TX for helping fund the S.O.N.E. program. Your funds provide salary for the teachers; materials, food, basic needs, and fare for students; as well as cover the electricity and water bills for the students' dorm, machine shop, and welding center.

## Thank You

Dear Church Family,

Our family wishes to thank all of you for the love and caring ways you have shown us how much you care about us this past month. Mom really was so happy to come here and worship, you all made it feel as much like home as you could. Thank you for the beautiful cards, texts, and messages, it has helped to know you are thinking of us. Thanks to Gordon and Carol for all those visits, Sarah for bringing Culley to visit his "grandma Jo", and a special thanks also to Bill and the singers for their valuable time and love. Thanks to those who attended her service also. We realize it takes a special effort and it's not always an easy thing to do. Thank you also for the silent and unspoken prayers on our behalf, you'll never know how much your kindness has meant to us. Sincerely,

*Brent & Kathy*
