**Sermon Scripture:** Revelation 21:1-5

**Sermon Thought:** Anyone who has lived more than a few decades and they can tell you about little aches and pains that set in. Sometimes they are not so little. They come as part of living in a fallen world. That being said, we won't have to live with them forever. The scripture above talks about God making "all things new." What a great day that will be.

**Sermon Questions:**

1. What comes to mind when you hear the scripture above about all things being made new? Loved one? Self? Friends who have been hurt? The world?

2. In what ways can we do a better job of reminding ourselves to look forward to eternity rather than complain about the present?

3. What stood out to you from today's message?

If a child lives with criticism, he can learn to condemn. If a child lives with hostility, they can learn to fight. If a child lives in fear, they can learn to be apprehensive. If a child lives with pity, they will learn to feel sorry for themselves. If a child lives with jealousy, they will learn to feel guilty. If a child lives with tolerance, they will learn to be patient. If a child lives with praise, they will learn to be appropriative. If a child lives with acceptance, they will learn to love. If our children live with approval, they will learn to like themselves. If our children live with recognition, they will learn it's good to have goals. If we show our children fairness, they will learn what justice is. If our children live with honesty, they will learn what truth is. If our children live with security, they will learn to have faith in themselves and those around them. Our children have to have the right guidelines!

In Him,

**Pat Meek**

## Thank You

Dear Church Family, Thank you for the meat and cheese tray plus all the other goodies that went with it. Just what we needed! We will always be grateful for everyone's support and love during this time of bereavement. We can't thank Gordon, Erik, and Mandy enough who all helped the service run smoothly. Our love to all.

*Curtis & Sue Diel*

*Margaret Jenkinson Family*

A special thank you to the ladies who prepared the delicious meal for our family. You are a special group of Christian women and we appreciate you.

*Margaret Jenkinson Family*

Dear Friends, Thank you for the cards, calls, and texts you sent with the passing of my sister Karan. A special thanks to Gordon and Carol for coming to her viewing and the heartfelt prayer given for the family. I don't know how in this world we would make it without you. Only with God's grace and mercy.

Love, Kathy Dittmeyer

## Spring Cleaning Day

Easter is just around the corner and is routinely our biggest Sunday both as a church and for guests. Hope to worship with you that day. To help prepare for this wonderful day of celebrating Jesus' resurrection we are going to have a Spring Cleaning Day! Plan to be here at the church **this Saturday April 13th**. There will be cleaning of all sorts and for all ages. Make it a family affair as we take pride in the building and grounds God has blessed North Garland to use!

## Alva Bible Chair Lunch

North Garland has been asked to furnish food for the Alva Bible Chair students **next Monday, April 15<sup>th</sup>**. We are asking for donations of food or money to feed approximately 90 students. We will be passing out sign-up sheets in classes with what we are needing. You can also contact Jovita Lang (580) 540-4042 or the office (580) 237-4658 with any questions. Food will be needed either the Sunday before or by 8:30 Monday morning. The van will be leaving from the church at 9:30 A.M.

# Dave Ramsey's Financial Peace<sup>®</sup> UNIVERSITY

We will be starting a class for financial peace on **April 14 at 2:00 p.m.** in the fellowship room. The class will be taught by Dave Ramsey by video and facilitated by Roger Owen and Cory Moore. It is a nine-week class, with one lesson taught each week. The first part of the lesson is video, and the second part is group discussion with the class approximately two hours long.

This class will teach you to:

1. Make a budget that you will understand and actually use.
2. Get out of debt and stay that way.
3. Communicate with your spouse about finances.
4. Invest with confidence.
5. Change your financial future.

Regardless of your current financial status or circumstance, you will benefit from this class! If you have car debt, credit card debt, furniture debt, school loan debt, or any kind of consumer debt, this class is FOR YOU. If you have ever thought about becoming debt free, this class is FOR YOU. If you are debt free and would like to build wealth, this class is FOR YOU. If you would like to learn about investing, this class is FOR YOU.

It is NEVER too late to turn things around!

What if every dollar had opportunity for the future instead of obligation to the past?

Your income is your greatest wealth building asset!

Learn how to handle and manage money GOD'S WAY!

**There is a sign-up sheet on the Welcome Center for anyone who is interested in learning more about this class and what the benefits could be for them and for all who are ready to take the leap into financial freedom!**

\*Childcare will be provided during the class.
