**Sermon Thought:**

One of the oddities of history is the loss of the proper pronunciation of the Hebrew word YHWH, the personal and covenant name of God in the OT. It takes continual intentionality to pass on the things of God but only takes one to break the link of faith.

**Sermon Questions:**

1. What did God's name mean to the Israelites?
2. The Israelites refused to say the name out of reverence. How can we approach God in reverent ways?
3. What stood out to you from today's sermon?

One time, a man joined a monastery where the monks were allowed to speak only two words every seven years. After the first seven years had passed, the new initiate met with the abbot, who asked him, "What are your first two words?" The man replied, "Food's bad."

After another seven-year period, he again met his superior, who asked, "What are your two words now?" and the man replied, "Bed's hard."

Seven years later, the man met with the head monk for the third time. "And what are your two words this time?" he was asked. The answer came back, "I quit."

The disgusted superior shot back, "Well, I'm not surprised. All you've done since you got here was complain!"

How sad to be known as a person whose only words were negative. Paul wrote the church in Philippi, "Do everything without complaining or arguing," Philippians 2:14.

Someone observed that any fool can criticize, condemn and complain-and most fools do. Though it's true that one of the easiest things to find is fault, the person who is always finding fault seldom finds anything else. While our thoughts are sometimes instinctive, our words are a choice. Choose to speak encouraging words and choose to look for successes rather than faults.

## Mission Trip

There is a summer mission trip planned this year for June 19-26. It is open to those who have completed 8th grade and above. We will be going to Arizona and building houses on a reservation with an organization called, "Arizona Reservation Ministries." If interested in going, pick up an information packet in the lobby. The cost is \$600/person to go and we will be looking for ways to cut that cost down. If you have some work needing done that could be a fundraiser let Erik or Dee know.

## Easter Candy

We are in need of candy or donations to buy candy for the Easter Egg Hunt on April 16<sup>th</sup>. Please drop it off in the office.
