**Sermon Scripture:** Exodus 3:13-14

**Sermon Thought:** The Bible was written a long time ago in languages we don't know. Some would say it isn't trustworthy. Some would say things were left out. Others would say it is hard to understand. This sermon deals with understanding God's word for us and some of the oddities about it. Specifically, God's name and how can we understand scriptures teaching for us?

**Sermon Questions:**

1. How many names of God, in English, can you think of? Do you know any terms for God in other languages (Spanish, German, etc)?
2. What concepts of scripture do you find difficult to grasp?
3. What from today's sermon can you add to your life?

### 5<sup>th</sup> Wednesday Outreach

Our next 5th Wednesday Outreach is on May 31. We have worked this past year on projects for the community, and now we want to give back to members of our church family. We are reaching out to you. If you have something around your home that needs a little attention, like mowing, weeding, planting, cleaning up, carrying off, we are here for you. We will begin around 6:00 p.m. on that Wednesday and be finished by dark. There is a sign-up sheet at the Welcome Center for those who want us to come to your home and one for those willing to work. Please bless us by giving us something to do. Galatians 6:10 *Therefore, as we have opportunity, let us do good to all, especially to those who are of the household of faith.*

### Christians in Action

### Senior Bibles

Make sure you stop by the senior table in the foyer. **We have two graduating seniors this year: David Granberg and Libby Owen.** Their bibles have been set out for you to write an encouraging note or underline your favorite verse. A laundry basket is under the table to collect graduation cards and presents. Senior Sunday is May 7<sup>th</sup> with refreshments served after worship. This is the last Sunday to write in the senior's bibles.
