Sermon Scripture: Ecclesiastes 1:12-2:26

Sermon Thought:

Solomon chased wisdom, success, wealth, work, and pleasure—and found it all “meaningless” when done apart from God. But pleasure itself isn’t the problem. It becomes empty only when we treat it as the ultimate goal rather than a gift from God to enjoy and steward.

Sermon Questions:

1. What gifts or joys in life do you often overlook or take for granted?
2. How can good things become harmful when disconnected from God?
3. What practices help you stay grateful and centered in God while enjoying life?
