**Sermon Scripture:** Philippians 2:1-6

**Sermon Thought:**

Too much time is spent by people focusing on differences that cause division. However, difference doesn't mean there must be division. In Christ, we are called to humility and unity, laying aside division to focus on the unity that can be had between diverse people who all make up one body.

**Sermon Questions:**

1. How does humility help overcome barriers that often keep people or groups apart?
2. How does the example of Christ in verses 5-6 challenge our attitudes toward unity and service?
3. What practical steps can believers take to "value others above themselves" when worshipping together?
