**Sermon Scripture:**

Pages 71-85 in the harmony

**Sermon Thought:**

Jesus performed many miracles. Matthew, Mark, and Luke all record more than 20 miracles of Jesus. The gospel of John, however, is unique. It only records 7 miracles. John writes at the end of his gospel that Jesus said and did many other things, but he recorded what people needed to believe.

**Sermon Questions:**

1. Which of Jesus' miracles most impresses you and why?
2. What miracles have you seen in your life?
3. How can you live out a life of offering similar to the boy who gave up his 5 loaves and 2 fish?

## The Essence of Life - *The Beginning*

### Our Task

The evolution of life is a sequence of events that give us purpose and satisfaction. As we grow up, we are given chores to do around the house. Then we experience our first job, and from there we choose a profession to carry us through life. They all have one thing in common – **Our Task**. Those are the things we must accomplish to keep things going at home, in our jobs, and our professions. When we complete **our task**, our parents and bosses are happy, and good things happen.

In the beginning of creation, God formed us from the dust of the earth, he breathed into us the breath of life, and then he gave us **Our Task**. “*Be fruitful and multiply, and fill the earth and subdue it; and have dominion over the fish of the sea and over the birds of the air and over every living thing that moves upon the earth*” (Gen. 1:28). We have to really appreciate what Adam and Eve did to carry out the task God gave them. They didn't have the gradual changes we had in taking on our position in life. They had to jump in with both feet and go to work immediately, and we are so glad they did. Take a moment to look around and think about all that has come to pass since those opening days of creation. We have what we do today because they fulfilled God's command. Well guess complete **our tasks**. Granted, they are not always easy, and they require a lot of sacrifice. But, O' for the joy of pleasing our Master and being with him in the glory of heaven.
