Sermon Scripture: 1 Corinthians 3

Sermon Thought:

The restoration movement began as a unity movement. Unity, as well as peace, is also what Jesus prayed for his followers. As we follow God, we must be people who help show others the peace of God.

Sermon Questions:

1. Share about the benefit of unity that can be found in God.

2. What do you see most often getting in the way of Unity?

3. What are some ways that you can contribute to peace and unity among God's people?

Thank You

Thank you, North Garland, for the donation of Fritos for the Alva Bible chair students. A special thanks also for those who made chili and those who took the time to go and serve the students. We served about 85. After the students eat, they have a devotional done by Steve Hamm the Bible Chair director. We have agreed to go two times a semester, so we will be going again next semester. We appreciate all the effort that goes into doing this and feel it is very appreciated by all.

WESTVIEW BOYS' HOME

Dear Brethren,

Nearly 10 years after one of our young men left the Westview program, he still knows who has his back. Today, he owns his own barber business, cares for his wife and three children, and is building a life of his own. We still talk every month. Sometimes we simply catch up and share pictures of our families, and sometimes he calls because he needs advice. He knows that even after all these years, Westview is still here for him.

That is what makes this ministry so special. The relationships built at Westview don't end when a young man graduates. They can last a lifetime. And just as that young man knows that Westview has his back, we know that you, as a church family, have ours.

Your church's generosity allows us to continue being here for young men who need a place to belong, people who believe in them, and an opportunity to build a different future. Thank you for standing with Westview, for believing in this ministry, and for continuing to be a blessing to countless young men just like my friend—and to the young men God has not yet sent our way.

With gratitude,

Jason Roark
Program Director
